NEW! We are excited to share this new CSA concept. Now, with the new CSA share, members pay for their share and then have an account set up at the store. We will deduct purchases from your account throughout the season so you can shop any day that is convenient for you. Purchase any goods in our store, not just what we box up for you. It makes it much more flexible for members with busy schedules. The new shares are not exchangeable, and we cannot reimburse unused funds, and they do not carry over into the following year. But with more flexibility, we feel this allow more members to purchase what they like and want.

Member Share - \$225 and will get an account balance of \$260 for an over 15% savings in our store.
